ISW Labs

ISW offers hosting to students students and student associations, we call this ISW Labs. We have a server which runs a control panel where users can manage their own account.

If at any point you encounter issues you can reach ISW at

- support@iswleuven.be (Preferred)
 isw@ucll.be (Use only in emergencies)

How do I?

- How do I create an FTP-user?How do I login to the control panel?
- How do I upload files to my website?
